

## Getting support for an Equity Committee nomination.

All candidate need two Equity members to support their nominations, a proposer and a seconder. Not everyone working in the industry is surrounded by Equity Members and is why the Online Branch is so important.

### **So how do you get your nomination to stand filled in if you don't know other Equity members?**

As an Equity Member, on request I am happy to PROPOSE or SECOND candidates seeking nomination following a private email exchange or voice conversation. Be aware that some committee's will require evidence of your work in the sector as a professional for you to stand.

The details to include me as a supporter are

Equity Name: Caron - Jane Lyon

Email - [cj.lyon@pcmcreative.co.uk](mailto:cj.lyon@pcmcreative.co.uk)

Equity No# - 00139007

In a regional branch members can collectively support candidates but currently, the Online Branch can not. It is with this in mind I am promoting this opportunity.

- To secure a Branch Member's support to either propose or second your candidacy visit the Chat Room thread in the Online Branch >> [Use this LINK](#)
- Post your request for support or to provide support in the thread or email me on the address above in response you will receive an email from me (not as moderator) with a list of 5 members happy to propose or second you.

### **Alternatively...**

Reach out to the Equity Council especially your sector's specialist representative or regional area councillor. [This web page contains the links for all Equity Council Representative.](#)

For an illustrated guide of how to complete the online candidate nomination form (same process as the OLB branch committee nominations) check out this document. [Equity Online Branch Committee Nominations Walkthrough Guide](#)
