

Internet Adventurer and Explorer, Social Media Womble - Writer, Podcaster, Digital Media Producer.

PCMCREATIVE

caron LYON @PCMcreative

Social Technology Recovery Consultant

- Social Media Solutions
- Audiences Development
- Video for the Web

“You tell the stories. We paint the pictures.”

Following the Brexit vote returned to a UK client based after working for 6 years with Audiences Europe and established **PCM creative media** as a boutique digital media agency.

MENTORING & CONSULTING SERVICE - Social Web Assistant Programme

For personalities (actors, agents and creatives trading as themselves), startups and SMEs who want to start social the right way and those who had the best of intentions but over the years social just ‘got away from them’.

Delivered on time at affordable prices with the support you deserve.

PCM creative media (PROJECTS) specialises in sustainable strategies and tactical online content delivery to stimulate audience engagement, conversation and lead generation. PCM helps clients with Social Media Reputation, Digital Asset Recovery, Audience & Online Community Management, Internet Strategy, Content Creation, offering phased consulting and training programmes to encourage autonomy, achievable targets, with attainable goals plus measurable results.

PCM creative media (EVENTS) is a New Media Event Production facility specialising in on-site, mobile, low impact live streaming video for online meetings, remote work collaboration and virtual audience attendance or performance webcasts.

PCM’s field of expertise is the live performance sector of the Entertainment Industry. IMDB, Mandy, Spotlight, The Equity Directory and Wikipedia as well as Facebook, Foursquare, Twitter and LinkedIn are amongst the platforms facilitated.

What clients say...

Eileen Parr - Author, Writer and Podcaster

“Caron has taken me through the obstacle course that is social media...helped me get over my dislike of video and hearing my own voice.”
